RE: Late fee assessment for the November 3, 2020 Election
10-G Campaign Finance Disclosure Report filed 9 days late

Gentlemen:

I am in receipt of your letter dated February 26, 2021 assessing a \$360 late fee for late filing of the referenced Financial Disclosure Report for the 11/3/20 election. It was never my intention to skip the filing of this document. I filed all other reports timely.

My 76 year old mother and 82 year old father contracted the COVID-19 virus and my mother died on November 5, 2020. In dealing with the death of my mother and my father's illness after this tragedy, I did not realize that I had missed this deadline and as soon as I received your late notice, I filed the necessary documents as required by state statute.

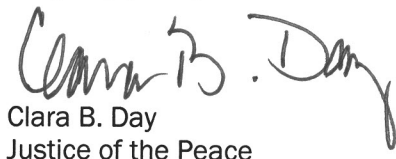

Again, I filed all other reports timely and the failure to file this report by the due date was inadvertent and I am requesting that you reduce and/or suspend the late fee assessment. I am not a career politician with a staff to keep up with these filing deadlines.

A \$360.00 fee would be burdensome on me as I am a Justice of the Peace in a small ward with little income at the moment because of the moratorium on evictions from which my office derives most of its income.

Please consider these reasons sufficient for the suspension of the assessment and advise me of your final decision.

Awaiting your response, I am,

Very truly yours,

Clara B. Day
Justice of the Peace
